

Bride of the Summerfields (The Manor House Series Book 2)

If you enjoy Downton Abbey, you'll enjoy a visit to Summerfield Manor, in England, 1882. The grand estate of Summerfield needs an influx of cash. Will a marriage to a rich American save the Weston family's legacy--or destroy it? American heiress Genevieve Farrow travels to Summerfield to marry Morgan Weston, the heir to the earldom--a man she's only met in letters. In need of confidence, and under the thumb of an ambitious mother, she struggles to win the heart of the man she's come to love. Rebellious daughter Clarissa Weston returns from her secret life on the London stage seeking acceptance and a new start. Back at Summerfield she finds a family who has carried on without her. Can Clarissa rise above her disappointment and find a new purpose? Orphaned goddaughter Tilda Cavendish visits Summerfield Manor and brings with her blackmail, ulterior motives, and the need to choose what kind of woman she will become. Former maid Molly Wallace returns to Summerfield Manor to nurse an invalid mother. She finds herself torn between an old love and a new one, an old destiny and one beyond her imaginings. Immerse yourself in the lives and loves of Summerfield Manor in this, Book #2 in the Manor House series. Watch for Book #3 in late 2016: Rise of the Summerfields.
