The Jury Even reeling from the loss of one of their own, the Sisterhood is always prepared to rally behind a new friend. For years, Paula Woodley has suffered the broken bones and shattered self-esteem caused by an abusive marriage. But what can she do? Her high-profile, Washington power-broker husband is not a man to be crossed. Or so he thinks. The Sisterhood may not be an organization found in any of his memos, but hes about to take a meeting with them?and theyll be setting the agenda. Sweet Revenge Isabelle Flanders former colleague, the conniving Rosemary, did everything in her power to ruin Isabelle, from framing her for a terrible drunk driving accident to stealing her husband and her architecture firm. Now, Isabelles formerly lovely life is in tatters while Rosemary scoops up the spoils. Its enough to make any friends blood boil. Rosemary may think shes flying high, but shes about to tangle with the Sisterhood. Lethal Justice Alexis Thorn, once a successful securities broker, spent a hellish year behind bars for a crime she never committed. Now she has her freedom, but shes left with haunting memories of being hauled from her office in handcuffsof the cell door clanging shut behind herof her pleas going unheard. Alexis dreams of getting even. The legal system failed her, but the Sisterhood wont.
