

Shades of a Desperado (Silhouette Intimate Moments Book 4)

The lady loves the outlaw forever A LOVE THAT WOULDNT DIE Night after night, the visions kept Rachel Brant from sleepa hard-eyed outlaw straight out of the old West, claiming her as his woman, taking her passion as his due. And though she knew it was madness, still she longed, body and soul, for that fevered dream to become reality. Then, in one stunning moment, it was made realby a flesh-and-blood man who stirred her soul just the way her dream lover had. And she had to accept the shattering truth, that she and the mysterious Boone MacDonald were the reincarnation of two long-ago lovers whose story had never been endednot even by death itself.
