

## Shaken

Shaken is a book that recounts a story that could have taken place anywhere in the United States. Don was born into a good middle class working family, to a mother who prayed for and never gave up on her sons future. Don grew to become a man who took advantage of the American dream, rising to the top of his industry in short order, and earning income that others could only imagine. Don misunderstand me; no one would refer to Don as an angel. Those who know him well would validate Shaken as an accurate documentation of a real person, dealing with real issues, struggling to undo the past... Bill Price Don Brown is the President of The Brown Real Estate Group based in Rocklin, California. He has served as the President of the West Contra Costa Board of Realtors.
