

Shannon McKenna Bundle: Ultimate Weapon, Extreme Danger, Behind Closed Doors, Hot Night, & Return to Me (The Mccloud Brothers Series)

Ultimate Weapon Covert operations are what Val Janos is all about. The man is mysterious and sinister, and lethally hot. Only Tamara can understand the strange intensity that drives him to win at all costs--and only she can match it. Val has one weak spot: Imre, the frail old man who befriended him when he was a scared, hungry kid abandoned on the streets of Budapest. But Daddy Novak knows about Imre, and Imre's head is on the block if Val doesn't deliver Tam up to Novak's tender mercies...Extreme Danger Skinny-dipping in a stranger's pool--it's as close to reckless as good girl Becca Cattrell has ever been. But the house Becca picked for her midnight swim just changed owners. And her harmless escapade has landed her at the mercy of a brutal, terrifying organization who'll make sure she doesn't live to tell a soul. The most gorgeous woman Nick Ward has ever laid eyes on is also the worst luck he's ever had. Becca's presence at this top-secret meeting place won't just destroy the undercover operation he's been working on, it's liable to get them both killed. But to his surprise, Becca isn't running away--from the danger or from him...Behind Closed Doors Surveillance expert Seth Mackey knows everything about the women his millionaire boss Victor Lazar toys with--and tosses aside. But Lazar's latest plaything, Raine Cameron, is different. Just looking at her triggers a white-hot passion Seth can barely control as he watches her on a dozen different video screens. Raine is pure temptation, but Seth can't slip up: he's convinced Lazar had his half-brother murdered. His secret investigation--and his life--are on the line. But then he finds out that Raine may be Lazar's next victim...Raine knows she's being watched--but no one can see the secrets in her heart. She has reasons of her own to seek revenge on Victor Lazar, and she will,

despite her fear--and the distracting presence of Seth Mackey. His fiercely masculine good looks and animal sensuality stir her most erotic fantasies when she's alone...and lead her to a bold plan. Offering her body to him, surrendering totally to his ruthless desire, might well push her beyond all emotional limits--and beyond fear itself. Hot Night Abby Maitland just landed a dazzling exhibit of priceless Spanish treasure for the museum--and someone would kill for it. Whether she likes it or not, Zan Duncan has to protect her. But Abby's mesmerized by Zan's untamed strength and very sexual vibe. From the long dark hair, the thick, hard muscles, and the black leather jacket right on down to the honed fighting skills and the tattoos, Zan is a master of subtle seduction. Then a lethal game of deception, greed and murder gets underway--a game more sinister than Abby and Zan ever imagined. When no one can be trusted and no place is safe, their passion may be the only thing that can save them...Return to Me It's been years since bad boy Simon Riley hopped a freight train out of town and Ellen Kent's given up wondering what happened to him. Running a successful bed and breakfast in Oregon doesn't leave her a lot of time for fantasizing about midnight kisses and secret passion...until an unexpected visitor knocks on her door. She had no idea Simon was a famous photojournalist, working in war zones around the world. But the man is everything she wants in a lover--and more...Dogged by trouble, Simon swore he'd never return to this backwater town, even to see El Kent. But he had to investigate his uncle's sudden death--and Ellen's lush beauty still tempts him beyond belief. He knows he can satisfy her most hidden desire--and he's hungry for the sensual tenderness that only she can give.
