

## El Corazon Del Mundo/ a Heart As Wide As the World (El Viaje Interior / the Inner Journey) (Spanish Edition)

Casi todas las grandes religiones y escuelas filosoficas enseñan que la felicidad consiste, sobre todo, en la capacidad para abrirse a los demas. Una capacidad que empieza abarcando a las personas mas cercanas, pero que se puede expandir como una incontenible onda de energia positiva hasta abarcar el mundo entero. Ese es el sencillo secreto del amor compasivo propugnado por el budismo. Mediante la meditacion y la practica del amor compasivo, cualquier persona puede descubrir y activar un inmenso caudal de energia interior capaz de iluminar y transformar la vida entera. En El corazon del mundo Sharon Salzberg recoge sus experiencias tras veinticinco anos dedicados a la ensenanza de la meditacion.
