

## Six-Week Marriage Miracle

When nurse Leah learned that she couldn't give her beloved husband, Dr. Gabe Montgomery, the family they'd dreamed of, she knew she needed to walk away even though it broke her heart into a million tiny pieces....Determined not to give up on his incredible wife, Gabe persuades the reluctant Leah to accompany him to rural Mexico, where he dedicates his time and skill to the poorest children. Under the fiery Latin sun the magic starts to reappear, and Leah finds herself tumbling, heart-first, for the man who vowed to love her for better...and for worse.
