

## Shifter (Alpha Claim 3): New Adult Paranormal Romance

From the New York Times bestselling author of A Terrible Love comes the second set of Alpha Claims featuring new characters in the same world.... EPISODE 3: Shifter/Vampire Romance Serial Talyn finds herself in a compromised position literally. Having escaped the supernatural battle raging inside her house, she falls into the wrong set of arms, and soon finds herself alone in a prison constructed of Mutables; a group of shifters that can change into virtually any animal. They too, have a limited female population. Talyn doesn't care. She refuses to become the Lycan Merck and Arden insist she should become, though her beast is clawing to escape. But a revelation about her lineage makes becoming a Lycan a surety, rather than a choice. The question that haunts Talyn is: who will transition her? Friend, foe or lover? Shifter is 44+ pages/11,000 words, and is the third volume of six episodic novelettes in the ALPHA CLAIM serial.
