

## Shopaholic on Honeymoon (Short Story) (Shopaholic series)

As readers of the Shopaholic series will know, I have never described Becky and Lukes honeymoon, which happens after they get married in Shopaholic Ties the Knot. So as a free update for Shopaholic fans, I have decided to share with you one of the adventures of the newly-wed Becky and Luke. I hope you enjoy it! Love Sophie xThe new Mr and Mrs Brandon are on honeymoon, and Becky has big plans! Theyve got a whole year to explore Venice, learn yoga in India, sleep in little wooden huts in South America maybe even see penguins in the Antarctic. And of course theyll need to buy just a few essential souvenirs along the way (everyone needs a set of Murano glass goblets, after all).Theyre not just tourists, theyre travellers. Becky is sure it is just the thing that Luke needs time to unwind. Hell come back a changed man with all the good bits still intact of course.But it soon becomes clear that Luke has different plans entirely. Can Becky help him let go, or will this little disagreement threaten their whole honeymoon?
