

Show Me Love - Complete Collection

Here in one Complete Collection are the Four Stories that complete the Show Me Love Series by Katelyn Skye. Olivia Snyder returns to her hometown in Vermont after spending over ten years in New York on the arm of a lawyer who has just divorced her for a younger woman. While she is glad to be on hand for the birth of her only sisters child, Olivia cant fight back the feeling that she has failed. Those feelings are somewhat abated when she encounters Jack Crilly, a local boy who appears to have never even dreamed of a life outside of the small town, but Olivia resents his intentions. Almost instantly, she learns that Jack is more than what she had assumed, and she is tempted by his touch. This series is a contemporary erotic romance featuring searing depictions of romantic activity.
