

Silent Reckoning (Mills & Boon Intrigue) (Bombshell, Book 37)

Who ever heard of a deaf detective? A year ago, my dream had seemed impossible. But I, Merri Walters, had used my lip-reading skill to bring down criminals and had scored a job with Metro Police. Earning my detectives badge took guts and nerve, which I had plenty of. Now a serial killer was on the loose, targeting beautiful, wannabe country stars, and I was lead on the hottest case in town. To complicate matters, the man I lusted after was now my boss, and his overprotectiveness was cramping my style. Still, no one could have predicted that I'd become the killers next targetor that my supposed weakness would be the weapon I needed to survive.
