

Simon Says Die (The Deadly Games Book 2)

Simon says: Im watching. Simon says: Im coming. Simon says: Die. Madison McKinley knows someone is stalking her. The police tell her shes imagining things, and theyre too busy trying to find the Simon Says killer to investigate. But day by day, hour by hour, Madisons terror grows stronger, and not even the return of FBI Special Agent Pierce Buchanan into her life can calm her fears. Besides, how can she ask Pierce for his help after the way she ended things between them? Pierce still wants Madisons love, and his drive to protect her is more powerful than ever. He believes shes in danger, even if the cops dont. Finally, as more people start dying and the evidence mounts, the police turn their attention to Madison as a suspect. Was Pierce a fool to trust her again, or are they both caught in a complex game that neither will survive?
