

Rise to Seduction [Rise of the Changelings, Book 5] (Siren Publishing Epic Romance, Manlove)

[Siren Epic Romance, ManLove: Erotic Alternative Paranormal Romance, M/M, with M/M/F, shape-shifters, public exhibition, HEA] Nate Valez is Ricks top enforcer. He is a sure and competent man, able to handle anything thrown his way-unless its Selene or Sasha. Selene Lopez hates Sasha. She is the one in love with Nate, not Sasha, but it seems every time Nate gets around the wereleopard alpha, he loses his damn mind. Sasha Monroe loves to play, loves to purr, and can slice a throat in the blink of an eye. He knows Nate is attracted to him. He knows Selene is attracted to Nate. But what the two dont know is that Sasha has been attracted to them both for some time. He just loves playing hard to get, but when Nate and Selenes lives are threatened, Sasha must choose between protecting a key element that could possibly win the war and protecting the werewolves who are beginning to mean so much to him. Will Sasha hand over what he has discovered, or will he let fate decide whether Nate and Selene live or die? NOTE! You are purchasing Sirens newest imprint, the Siren Epic Romance collection. This is Book 5 of 7 in the Rise of the Changelings series. The series shares an overall story arc with many crossover characters playing major roles in each book. These books are not stand-alone and should be read in their numbered order.
