

Soft Skills (Office Toy Book 5)

SOFT SKILLS is a multiple-partner romance novella of 15,000 words. M/m/m/f (three men, one woman). Includes public punishment and publicly submitting to a stranger at the command of her dominant boss. An office hazing leaves Elle feeling vulnerable, and she finds herself defying her three bosses, secretly begging to be taken in hand so that order will be restored to her world. Cunningham teaches Elle a lesson... on the side of the road. She squirms in front of the growing crowd, and she can't believe her ears when Cunningham calls for volunteers to restrain her. She loves his dominance, but the second it's over she defies him again. His response shocks her. Before the week is over, everything Elle thought she knew about Cunningham, Jonathan and Nolan is turned upside down, and none of their lives will ever be the same. This BDSM romance contains explicit sexual content and graphic language that may be objectionable to some readers. Includes sexual dominance and submission, spanking, sexy humiliation and many other delights. For adults only.
