

Smoldering Hearts (Firehouse 5 series Book 3)

Firehouse 5, Book 3 When Claudia receives a phone call in the dead of night informing her that her pub has burned to the ground, shock steals her senses. But when the hunky arson investigator and his sidekick show up to question her, her body awakens in brand-new ways. She can't stop picturing herself crushed between the beefy Swede and the tattooed god. Jonatan and Mac suspect a common case of insurance fraud until they meet the beautiful and innocent-eyed pub owner. After one meeting, Jonatan can't keep his hands off her, but neither can Mac. Trouble is, they need all their wits for the investigation. Two alpha males thumping their chests and declaring Claudia belongs to each of them individually will get them nowhere, but Claudia may have a solution that makes all of them happy. Inside Scoop: Jonatan and Mac are sure to become more than partners on the job with temptress Claudia demanding both of them at the same time! A Romantica contemporary menage erotic romance from Elloras Cave
