

Snowy Fate

Fate always knows when you're ready for love. The past is catching up with Aspyn Layton. The father she never knew passed away and she is left to deal with his estate. An unexpected snowstorm has her stranded at the one place she didn't want to be her father's house with a naked man. Damon Andrews has a secret, one he shared with Aspyn's father. He must convince Aspyn there is more to life than what she knows. How will she react when she finds out he is a mountain lion, and she is his mate? Their fates are intertwined.
