

SOMETHING WILD (THE WRONG BED)

SHE'S GOING TO TAKE A WALK ON THE WILD SIDE! Penny Halloran is confused. Her boyfriend has proposed, but they've never ... Well, before she makes her decision, she needs to know if they're ... compatible. What better way to find out than seduce her man in the back of a limo? If sparks are there, she'll say yes! She just never intended to say yes to the *wrong* man! Ryan Pierce wants to start over. No longer the swinging bachelor - he's gotten into too much trouble! - he's sure life will be much simpler. But when he mistakenly gets a sexy invitation for a night he'll never forget, he doesn't know what to expect. Certainly not the sweet restaurant owner from downstairs ... who turns out to be a wild woman! What's a reformed bad boy to do? Help Penny discover her wild side, of course, and turn those sparks into a full-blown inferno!
