

Son of Man: The Mystical Path to Christ

Galvanizing, beautifully written ... a powerful expression of faith in the transforming power of Christ's love.--Publishers Weekly (starred review) Son of Man is Andrew Harvey's most basic statement on Christ, and it has already become a treasured work to readers interested in Christian mysticism. For the first time in any of his books, Harvey provides spiritual exercises--centuries-old rites previously available only to a few--that allow the reader direct experience with the mystical Christ. Son of Man also includes an easily accessible section of classic readings and meditations on the nature of Christ, making it the comprehensive experience in the Christ of the new millennium.
