

One Night with the Wolf (Mills & Boon Nocturne Bites)

Werewolf Jade Thorne needs a man young, virile to give her love and pleasure. As a rare female alpha, she must keep her pack safe by pledging herself in marriage to an aging leader from a rival pack. Until then, she wants to experience the raging passion of a wolf in his prime. She even has an ideal lover at hand: her Second, Christian Tallant. But Christian is a wolf who will demand to dominate her body, mind and soul. Now Jade must decide if she can afford to submit to his desire and if one night with the wolf will really be enough... .
