

Where Two Ways Met (Love Endures)

Paige Madison returns from World War II ready to get on with life and start a career to support his aging parents, but his new boss has him foreclosing on homes in ways Paige starts to believe are unscrupulous. But distancing himself from the boss is hard when the boss's daughter, Reva, has set her cap for him and won't be rejected. When Paige is thrown together with the minister's daughter, June, to help a family in need, he immediately recognizes how a gentle woman of faith is more attractive than an aggressive, worldly woman like Reva. But which woman is the best for his future?
