

## SPARK (The HEAT Series Book 2)

SPARK is the second part of HEAT, a four-part novella series from New York Times and USA Today bestselling author, Deborah Bladon. Cadence Sutton was living the life she always wanted. She was working at Nova beside Manhattan's sexiest chef and at night, she was the woman sharing his bed. Life changed in an instant and when Chef Tyler Monroe lost it all, Cadence was there to help him pick up the pieces. As they work together to rebuild Tyler's shattered life, Cadence realizes that she may be sacrificing more than she wants. Can she really have it all or will someone from her past change her future forever? Note: This ends in a cliffhanger. Parts Three and Four will be released within the next few weeks.
