

The Millionaires Makeover (Mills & Boon Cherish) (Special Edition)

From shy mouse to millionaires wife? When successful millionaire businessman Ben Radford first met Rowena, he thought her frosty and uptight. Discovering the beautiful, sensual woman underneath was a revelation! It was just as he hoped; he would help her overcome the past and then he would move on. After all, his divorce had taught him that he couldn't offer more than a temporary affair. But Rowena had come a long way from the mousy wimp she'd once been. She decided that she could help Ben believe in love again: she'd give him the makeover of a lifetime.
