

Spirit Warriors: A Soldier Looks at Spiritual Warfare

Why does life sometimes seem like such a battle? Because it is! Pastor and former Green Beret captain Stu Weber describes life's spiritual battles from the perspective of a seasoned soldier. Somehow we have come to mistakenly associate spiritual warfare with charismatic personalities strutting across brightly lit platforms ... whuppin up on evil spirits, says Weber. But spiritual warfare is so much more than ... a show. With warm and winning counsel, the bestselling author/speaker opens our eyes to the perils we face daily -- giving us what we need to survive and thrive!
