

Stallion Tamer (Cowboys of the Southwest)

AN IRRESISTIBLE WOMAN She was the youngest Donovan sister. An innocent beauty whose sweet, trusting nature had once opened her heart to hurt. AN UNTAMABLE MAN He was a loner. A man more comfortable around horses than people. A wrangler with a gift for taming even the most savage stallion on the Donovan ranch. A FATEFUL WEDDING When Jessica Donovan came face-to-face with Dan Black, her every feminine instinct told her the rugged ranch hand was the man who could heal her wounded heart and make her homecoming complete. But first she had to show the brooding cowboy the soothing strength of a woman's touch and prove that she was indeed his destiny. Cowboys of the Southwest: These rough and rugged men lead the Donovan sisters home again this time, forever!
