

## The Writers Question

With the purchase of this book comes direct download access to another 31 Free Books A detective. Dedicated. Smart. Driven. Female. She has had a tough year and now, faced with interrogating a writer who had turned killer, who had said his reason was because things didnt seem true, seem real, she wondered if her reality would ever change. If she would find her way out of the mire of a hard year. If she would ever find answer. If she would ever find love. This is NOT some table-thumping tome that will end up unread and gathering dust on your virtual bookshelf this is simply a well-written romantic short story that will have you flipping over the pages in feverish anticipation perfect for a lunch break or when you have some time to kill!
