

Evil Season

Benson is a master of true crime. --Robert Scott
 Deadly Dreams
 Joyce Wishart was living out her life's dream, running her own art gallery in sunny Sarasota, Florida. But that dream ended in nightmare when a deranged drifter named Elton Brutus Murphy walked through the door with a knife in his hand and a voice in his head commanding him to rape and kill. In the space of half an hour, Joyce was dead--brutally mutilated--and the tony arts enclave plunged into terror as a frenzied manhunt ensued. Told in the convicted murderers' own words, a chilling tale of one life spiraling into madness--and another gruesomely cut short. Difficult to put down. . . . This is one that I highly recommend. --True Crime Book Reviews on Watch Mommy Die
 Brisk pacing. . . .shocking details. --Publishers Weekly on The Burn Farm
 Includes the exclusive confession of Elton Brutus Murphy
