

## The Marquette Family

CREED Creed Marquette has always done what it takes to make sure he and his brothers come out on top. Hes seen despair and hunger in his life, but as a newly declared billionaire in Forbes magazine, he still doesnt feel like this is it. Theres something missing, and the fact is, despite all his hard work, the past keeps rising to influence the present. He cant deny himself. To complicate matters, Creeds brothers, the irresponsible men that they are, have purchased a restaurant in New Orleans, and they want Creed to join them. Leave the corporate world that got them where they are to go work a failing restaurant without experience? But this just might be what Creeds been looking for. Now, all he needs to do is hire the chef, a sexy beauty with a smart mouth who almost killed him by serving him peanuts in his food. Well, Shada Howard did save his life while he was completely naked. Maybe New Orleans wont be so bad after all. Not if he can tame her and make her his! DAMEN Damens wife left him to raise his daughter alone. She said he was boring, and she wanted something more. Since then, hes lived a carefree life without the ties of a relationship to hold him down. The only female that matters to him now is his little girl, and hell give her whatever she wants. On impulse, Damen and his brother opened a restaurant called Marquettes in the heart of New Orleans French Quarter, and theyre having amazing success. Everything feels right. Theres absolutely nothing more Damen could ask for, despite the nagging of his older brother, who says hes not being true to himself. Then two things change Damens worldtwo people rather. Heaven, an old lover, strolls into Marquettes and applies for a job, and a mysterious young boy with a love for music stirs Damens protective instincts. STEFAN Stefan has a secret he hasnt shared with his family. Sometimes he disappears from the restaurant to visit a

night club on the wrong side of town. He performs there, and its where he met Talicia. Stefan would rather keep his worlds separate, but fate has other ideas. Talicia loves Stefan, but she knows her rough edges would never work in his world. She just wants him in her life for however long it lasts. Talicias poor decision puts Sefan in danger and brings her before the rest of the Marquettes, who love Stefan just as much as she does. This isnt just any kind of family. Talicia might be in bigger trouble than she first thought. DUKE Duke has always been the black sheep of the Marquette family. While his cousins were making billions, Duke was busy getting thrown out of the army and landing inside jail. He never cared too much about anyone else, least of all falling in love. Then he started working at the famous Marquettes restaurant in New Orleans, his cousins venture. Creed demanded responsibility, but the word wasnt in Dukes vocabulary. Not until he met Takiyah Silver. At first Duke wanted her blond friend, but he couldnt get the sexy Kiyah out of his head. Kiyah was all about taking care of her teenage son and making a living. When her son gets into serious trouble that could destroy Kiyahs well-ordered life, Duke wants to step up. But how can a woman like her depend on a man who has nothing to offer?
