

Who Was Jesus? Fingerprints of the Christ

Was Jesus Christ truly the divine Son of God who walked the earth 2,000 years ago? How can we be sure the gospel story is an accurate and infallibly recorded historical account? When the gospels are examined scientifically, can we truthfully uphold them as inerrant? Is it possible to assert honestly and ethically that the Bible is the inspired Word of God? The answers to these questions and many more may surprise and shock you! Is the New Testament a historical record or factual biography of what really happened, or a tool for the priesthood to lay down doctrines and dogma as they were developed over the centuries? Was Jesus the Jewish Messiah? Was Christ the Savior of the World? Was He a Cynic sage or a political rebel? Or was Jesus Christ something altogether different? Subjects in this fascinating CSI-style investigation by controversial independent scholar of religious history D.M. Murdock aka Acharya S include: Foreword by Dr. Robert M. Price The Gospel According to Matthew The Nativity of Jesus Christ The Baptism and Temptation The Calling of the Disciples The Sermon on the Mount The Lords Prayer Healing of the Sick and Casting out Demons The Mission of the Twelve Working on the Sabbath John the Baptist Beheaded Walking on Water The Canaanite Woman Peter the Rock The Transfiguration Becoming like Children Eunuchs for the Kingdom of Heaven Entry into Jerusalem Driving out the Moneychangers Cursing the Fig Tree Signs of the Times/Second Coming Jesus Anointment with Oil The Last Supper The Garden of Gethsemane The Betrayal by Judas Christs Trial The Passion and Crucifixion The Resurrection of the Dead The Empty Tomb The Gospel According to Mark Was Mark First?
