

Watch Me (Stepping Up)

Twelve young dancers are competing for the dream. Only one will win. But with sabotaged sets and flooded living quarters, the Curse threatens both competitors and crew. And unless she can turn this train wreck into a TV triumph, producer Meagan Tippans dream will be the Curse's last victim. Enter security head and former Special Forces soldier and all-around pain in Meagan's butt Sam Kellar. He's a nightmare and the stuff that X-rated dreams are made of! But as tensions between Meagan and Sam become increasingly explosive, their only choice is to get it all out and take it all off!
