

Teenagers - A survival Guide For Parents-What parents can expect when their children become teenagers and how to survive this.

This book contains proven steps and strategies on how to deal with teenagers. Welcome to the most important survival guide you will ever need. Look at your sweet child, they look up to you, want to spend time with you, and more often than not do what they are told. Then one day, in fact the day they turn thirteen, like a monster from the deep, metamorphosing from the primordial swamp, they turn into a TEENAGER, and life as you know it will never be the same.
