

## Stepping Out (Missed Connections Book 1)

Getting over her cheating ex was hard, but Gwen did it. She's not about to let her cousin be bamboozled by a loser too. But when she meets Mias date, he's way sexier and better mannered than a cheating jerk has a right to be. After the headache of his own cheating ex, Conlan is done cleaning up for his sleazy future brother-in-law. To save his sister heartache, he intends to teach some floozy a lesson. But Gwen is one gorgeous schemer he can't ignore. After a heated kiss nearly spins out of control, they part--more enemy than friend. Until they meet again, forced to work together. Finding out Conlan isn't who she thought he was floors Gwen. They do their best to push their misunderstandings aside, only to rediscover their fiery chemistry won't go away. The more time they spend together, the more they come to like each other. But when business makes their pairing awkward, will Gwen trust in him enough to fall in love? And will Conlan take a chance on the one woman who could give him the happily ever after he only writes about?
