

GROSSMANS CASTLE (David Grossman Series Book 4)

In GROSSMANS CASTLE, Steven Jay Griffels storied hero David Grossman is at a critical juncture: Nearly thirty, he is professionally unfocused and romantically unsettled. He yearns for a meaningful life and a committed lover to share it with. He dreams of greatness, but like most people, he lacks motivation and direction. But greatness comes to people in many different ways. Some are born great. Some achieve it. And some, like David Grossman, have greatness thrust upon them. GROSSMANS CASTLE is a love story about four friends and a ghost searching for love amidst a backdrop of terror and suspense. It is a Gothic thriller rushing through a Hall of Mirrors where reality and illusion become strangely confused. But most of all, it is a story of how David Grossman copes with circumstances way beyond his imagination and far beyond his control. Fans of Steven Jay Griffels David Grossman Series need to buckle up and be ready to enjoy the wild, exciting adventure of his fourth novel, GROSSMANS CASTLE. THE AUTHOR Steven Jay Griffel is the Amazon Best-Selling author of FORTY YEARS LATER, THE DEADLINE, and GRAND VIEW and is a regular columnist for Stay Thirsty Magazine (staythirsty.com), a global news and entertainment quarterly.
