Mills & Boon are excited to present The Anne Mather Collection the complete works by this classic author made available to download for the very first time! These books span six decades of a phenomenal writing career, and every story is available to read unedited and untouched from their original release. A frosty reception! When Sylvie's selfish sister refuses to go to Greece to live with her husband Leon and her small son, Sylvie is persuaded to go there instead! And she gets little thanks for her trouble only the hostility and suspicion of Andreas Petronides, Leon's gorgeous, but utterly unbending brother. Refusing to think anything but the worst of her, Andreas does his best to spoil her time there. Why can't he just concentrate on his disagreeable girl-friend instead?! But in the seductive heat of the Mediterranean sun, Sylvie begins to wonder if she really wants him to leave her alone
