

Stranger From The Past (Mills & Boon Modern)

Penny Jordan needs no introduction as arguably the most recognisable name writing for Mills & Boon. We have celebrated her wonderful writing with a special collection, many of which for the first time in eBook format and all available right now. Would they become lovers now? The demands of a growing business meant Sybilla had less time to think about the past, about a lonely future and definitely no time to become emotionally involved. Ever again. Not after Gareth Seymour. Ten years had changed them both but hadn't erased her feelings. That tormenting realization came when Gareth suddenly returned, threatening to send her emotions reeling back in time, to weaken her defences and leave her vulnerable once more to the man who shattered her confidence and broken her heart!
