

Strangers

Kate Snows had enough of bad boys until a one-way swim in the ocean puts her on a collision course with a man she cant resist. Charlie Storm has turned being a bad boy into an art form. Already a famous pop star, mega-success in the movie business beckons until his inner demons send him spiraling out of control and right out to sea. The last thing he expects to do before he dies is crash into a suicidal woman. When the worlds of these two strangers collide, their lives take an upward twist. In surviving the waves, they find they cant stand to be apart, in or out of bed. Kate seizes a chance for happiness, seeing in Charlie a man she can finally trust to love her. Charlie cant let go of Kate because shes the only woman able to see the man he wants to be. But the price of fame is high and when the world wants to drive them apart, life only seems safe in Kates bed.
