

# Strategic Management

Contemporary research in strategic management, with an emphasis on conceptual tools and skills created by scholars and practitioners in the field are evident throughout Strategic Management, 14e. The fourteenth edition of Strategic Management continues to increase the emphasis on planning for domestic and global competition in a global economy that is integral to strategic decision in even the smallest business or organisation on Main Street - in any town worldwide every day. It is specially designed to accommodate the needs of strategy students worldwide in our fast-changing twenty-first century.
