

Secrets Vol. 2

Sexy thoughts about Cole fill Annas dreams. Every detail burns brightly in her mind; the way his hands feel on her bare skin, the soft brush of his lips against hers, and the way their bodies fit perfectly together. Anna awakes breathless, tingling as if it really happened. What caused her to think about Cole like that? It was completely forbidden. And Anna didnt feel that way about him, at least she didnt think she did. Cole was fun to flirt with, thats all, and the sexual tension between them was normal, right? Everyone has that from time to time with some super-hot guy. It made sense. Her mind was just telling her that she needs a boyfriend. But what if Coles the right guy? What if hes right there and Anna lets him slip through her fingers? Coles more than she bargained for, with enough sex appeal to make Anna realize everything shes been missing.
