

## Submit (Surrender, Book 2)

Arianna Harlow has a choice. Does she choose love or self-respect? Will she give up her freedom and become nothing but a shadow of herself? This is the exciting sequel to the NYT's and USA Today best-selling book Surrender. In Submit, Ari faces an impossible ultimatum. She needs to decide whether to accept Raffaello Palazzos indecent proposal and stay at his side as his bought mistress, under his complete control in his world and in his bedroom. Rafe holds the keys to her mothers happiness, and Ari must choose love for her mother or respect for herself and for the morals her mother instilled in her. Youll find out that decision in this book and discover the unexpected repercussions of what Ari does choose. In Surrender, we were also introduced to the dynamic story of Shane Grayson and Lia Palazzo. See where their story leads as the Surrender Series continues. Watch as two strong, confident women make choices that will affect their lives forever. Who will submit? Will it be the women or the men?
