

## Summary of Being Mortal: By Atul Gawande - Includes Analysis

Being Mortal, written by Atul Gawande, brings to light an array of concepts involving death, mortality, aging, and terminal illness. Gawande includes extensive research and chronicles the stories of his patients, other doctors patients, and his own family members. The resulting book informs readers about many circumstances and scenarios that can help people find the best route through their or their family members final days, months, or years...
