

Finding God When Lives Not Fair: Surviving Soul-Shakers and Aftershocks

Lee Ezell always considered herself a lighthearted person. Yet when two back-to-back tragedies crashed upon her--the death of her husband to cancer and, ten weeks later, her own diagnosis of breast cancer--Lee was shaken to the core.

Like the author, readers all face times of pain and loss. Whether the source is debilitating illness, divorce, financial hardship, emotional upheaval, or a loved ones death, lifes injustice impacts everyone. When it does, questions arise: How can God allow such suffering? Why is he so silent? Can he be trusted?

Finding God When Lives Not Fair chronicles Lees journey of hope and courage as she struggled with her faith during her darkest days. Offering no easy answers but plenty of hard-won wisdom, she writes honestly about how deep pain can run--and offers a compelling argument that Gods love runs deeper still.

Whatever their circumstances, readers will find their faith buoyed as this book affirms the reality of the Lords grace awaiting them in their toughest times.
