

Denial: Careless Whispers 1 (The Inside Out Series)

From New York Times bestselling author Lisa Renee Jones, the first book in the CARELESS WHISPERS series. This is a spin-off of the INSIDE OUT series (in development for TV) that follows Ella Ferguson, Sara McMillans best friend. Ella Ferguson awakes alone in Italy, unsure of who she is, and a gorgeous man has claimed her as his own. Hes tall, dark, and sexy, with money and power, the kind of man who makes a girl want to be possessed. And he does possess her, whispering wicked wonderful promises to her, stealing her trust and her heart. Soon though, the past finds her, yanking her from a cocoon of passion and safety. Everything is not how it seems. The truth will shatter her world, but it can set her free, if it doesnt destroy her first.
