

Surrender of a Siren: A Novel

New author Tessa Dare takes passion to the high seas in this steamy tale of a runaway bride and a devilishly disarming privateer. Desperate to escape a loveless marriage and society's constraints, pampered heiress Sophia Hathaway jilts her groom, packs up her paints and sketchbook, and assumes a new identity, posing as a governess to secure passage on the Aphrodite. She wants a life of her own: unsheltered, unconventional, uninhibited. But it's one thing to sketch her most wanton fantasies, and quite another to face the dangerously handsome libertine who would steal both her virtue and her gold. To any well-bred lady, Benedict Gray Grayson is trouble in snug-fitting boots. A conscienceless scoundrel who sails the seas for pleasure and profit, Gray lives for conquest until Sophia's perception and artistry stir his heart. Suddenly hell breaks loose, with sharks, fire, storm, and sea just to keep her at his side. She's beautiful, refined, and ripe for seduction. Could this counterfeit governess be a rogue's redemption? Or will the runaway heiress's secrets destroy their only chance at love?
