

Surrender

This is the first book of the Surrender Series, a seriously hot and provocative submission series by Lucia Jordan. On her wedding day, Nicole discovers that her would-be husband is having sex with her maid-of-honor in the chapel's nave! Humiliated by the ordeal her whole world turned upside down she decides to go through with the honeymoon they planned: A three-week cruise. Waiting at the port, her attention is stolen by a man whose chiseled body and ebony hair make her heart beat a little faster. This is one Riley Kingley: The rich and bored millionaire who just happens to own the cruise ship. Nicole, though, is set on being uninterested in any man, even one as charming and determined as Riley. After running into Riley in the hallway, it becomes clear that the electricity between them is anything but static. He invites her to have dinner with him, but will her distrust of men forbid her from being free to pursue her attractions? Or will she find herself submissive to the dominant nature of Mr. Riley Kingley? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
