

## Sweet Resolve (The Lucky Series Book 2)

Amy Walker is steps away from her perfect job. The day she makes partner at her real estate firm will be the happiest of her life, second only to the day in junior high when her tormentor, Logan Miller, finally moved away. But fate has a warped sense of humor, because Logan is back. In her town, in her office, gunning for the same promotion. Worse, the man is sinfully hot. But that wont keep Amy from exacting the revenge he richly deserves Logan had reasons for acting wild in his youth, but he still regrets the way he treated Amy. Especially once hes sharing an office with the smart, self-controlled beauty. For one thing, shes got a wicked sense of payback. For another, hes realized theres something he wants much more than a promotion. And thats to melt the ice he helped form around her heart all those years ago and to prove that loving thine enemy can be the ultimate happy ending.
