

Sweeter Than Wine: The Amorys Book 2

When Lacey Malone goes on vacation to prove a point to the Dean of the all girls school, she doesn't expect to meet the charismatic Sam McKay. Likewise, Sam has his own problems, his father died telling him he was not his son. Sam is totally lost and feels he must find his long lost family. Yet as Sam and Lacey team up for the summer vacation, they get much more than they bargained for. The sparks begin to fly between them as they get to know each other. Sam's determined to show her a good vacation, but can he keep his hands off of her? And the real question is, can you fall in love in a week? Can he seriously let her go once the vacation is over?
