

Ravish - Complete Series

What is a man if he reveals all his dark secrets? Annie Grace Wellington is a hardworking interior designer, earning quite the name for herself at her uncles firm among the A-list clients of Los Angeles. However, the one client who has eluded her for years, and is the firms number one account is Brandon Artino the famously successful entrepreneur from Greece, whose wealth is matched only by his mysterious reputation. Until now, hes only worked exclusively with Annies uncle, but when shes offered Brandons account and a trip to the Greek islands she seizes the opportunity of a lifetime. Nothing could have prepared Annie for the mouth watering Brandon. From his searing gaze to his striking good looks and muscular physique, hes almost too much for her to handle. But what she learns about Brandons secrets both frightens and excites her. Will Annie jeopardize everything shes worked for and submit to temptation of pleasure? And what kind of kink is Brandon hiding up in his Black Room? Only mature readers should download this book.
