

Take Me Forever (Billionaires Beach Book 2)

Note: This book was previously published. Award-winning and USA Today bestselling author Christie Ridgway serves up three sexy, sun-drenched romances with a decided emotional kick in the Billionaires Beach trilogy. The most coveted stretch of sand in Malibu, California, is known as Billionaires Beach and tip to the wealthy residents who enjoy its flower-scented air and dramatic ocean views. The surfside locale is heating up with happy-ever-afters too, as three determined heroines discover the deliciously wicked heroes their hearts desire. Juliet Weston moves to Malibu for a fresh start and with the belief that her chance at love is over. But one glimpse of the wet and naked muscles of a hunky former soldier has her tingling and wondering if there's a life for her beyond loss. Noah Smith has watched Juliet from afar for months and now he thinks it's time to make his move. The blonde beauty is uptown all the way, but overcoming his rougher upbringing has taught him that quitters aren't winners and he intends to triumph. In this California paradise, two lonely hearts find a blistering passion that could become a blissful forever. Note: This book was previously published as *Unravel Me*.
