

SOLD TO THE HIGHEST BIDDER! (Harlequin comics)

Jack finds himself driving his expensive car, totally unsuitable for the countryside, to Norfolk, where a fresh May breeze is whistling through the trees. His intentions are to buy an old manor and convert it into a party house for him and his high-society pals... If his failed marriage taught him anything, its that life is meant to be enjoyed. He pulls up a half hour early for his meeting with the owner only to find the beautiful blonde already waiting for him. Chuckling in spite of himself, he realizes this might be a more interesting weekend than he thought.
