

## Alpha In The City (A BBW Paranormal Romance)

Having escaped the captivity of the Empire lab in the middle of New York City, Christopher finds himself a free wolf. Now he must begin to put the pieces back together and work out exactly who he was before the experiments began. He does not remember much but he does remember one thing. He remembers her. Hannah was the love of his life before his imprisonment and Christopher still loves the woman he left behind. Will Christopher be able to convince Hannah that hes a new man while also keeping her safe from the people who want him dead? The big question is, can he rediscover his ALPHA side before it is too late? Scroll back up and start reading this sexy and thrilling read right now! Note: This is part of the Shifters In The City series but every book can be read standalone! Other books from this series also available: Bear In The City - Contains scenes of a sexual nature. 18+
