

Taming the Tycoon

Real estate tycoon Nathaniel Montgomery is one deal away from making his first billion and fulfilling a promise to his dying father. Nothing will stop him from tearing down the decrepit St. Agnes hospital and erecting posh condos in its place. Not even the crystal-wearing, health food store owner whose publicity stunt lands him in the hospital. After her brush with death five years ago, child prodigy Addie Collins learned what's truly important—health, happiness, and the two-hundred-year-old rose garden at St. Agnes. To make amends for the accident, she agrees to pose as Nathaniel's girlfriend at his eccentric grandmothers birthday party. But Addie has an ulterior motive. To repay her debt to the universe, she must show him there's more to life than making money. Nathaniel hates to lose, but as she breaks through his defenses, losing himself in Addie's arms might be exactly what this tycoon needs
